 \* This ceremony, "Worldwide Candle Lighting", unites family and friends around the globe in light-  
 \* ing candles for one hour to honor and remember children who have died at any age from any cause.  
 \* As candles are lit at 7 pm local time, creating a virtual wave of light, hundreds of thousands of  
 \* persons commemorate and honor the memory of children in a way that transcends all ethnic,  
 \* cultural, religious, and political boundaries.  
 \* \*  
 \* Now believed to be the largest mass candle lighting on the globe, the Worldwide Candle Lighting,  
 \* a gift to the bereavement community from The Compassionate Friends, creates a virtual 24-hour  
 \* wave of light as it moves from time zone to time zone. Hundreds of formal candle lighting events  
 \* are held and thousands of informal candle lightings are conducted in homes as families gather in  
 \* quiet remembrance of children who have died, but will never be forgotten.

Please bring an ornament to place on the tree in remembrance of your loved one, a photo to be placed on a remembrance table, and a candle in a jar to be lit as we walk in remembrance of our loved ones together. The candles will remain lit for 1 hour. After the ceremony, you may join us in the restaurant to share and remember.
